

## THE BASE BALL CONVENTION

Annual Meeting of the Western Association Directors.

ST. JOE'S FRANCHISE FORFEITED.

McCormick Unanimously Re-elected President and Treasurer—Morton's Report—The Secretaryship—Other Sporting Notes.

The Western Association.

MINNEAPOLIS, Minn., Nov. 2.—[Special Telegram to THE BEE.]—The representatives of the Western association clubs met here in annual meeting to-day. Omaha was represented by McCormick and E. O. Brandt; Des Moines by W. L. Finkbine and W. R. Wardfield; Denver by W. L. Van Horn and D. E. Rowe; Milwaukee by R. N. Taylor; Sioux City by R. E. Matheis; St. Paul by A. M. Thompson, and Minneapolis by Sam Morton. L. L. Longbreak, a Minneapolis attorney, had been authorized by Manager Truckenmiller to represent St. Joseph, but as the latter had not read in its dues Longbreak was refused a vote. This was tantamount to declaring the St. Joseph franchise forfeited to the association.

At the meeting of the board of directors secretary Morton submitted a report showing that the treasury still contained \$300. The demand of \$100 guaranteed for a game forfeited to St. Paul was tabled. The demand of the former club of a guarantee from Milwaukee for forfeited game was allowed. The board voted to pay secretary Morton \$100 for his services for the season.

The regular association meeting was called to order this evening and President McCormick was immediately unanimously chosen president. There was considerable talk over the secretaryship. Several delegates were in favor of giving Morton the position again, but the prevailing opinion seemed to be against him. The candidates are C. C. Chase, of Oshkosh; James A. Hare, of Chicago; and Joseph C. Pugh, of St. Louis. The meeting adjourned to 10 o'clock to-morrow morning without choosing a secretary.

No action will be taken on the cities to consider the league until the spring meeting. A canvass of the delegates shows that Denver will be allowed to remain in the association, and that probably Chicago will also be admitted. Candidates for admission are Duluth, Oshkosh, Grand Rapids, Detroit and Toledo.

The Jumbell Contest.

The dumbbell contest at the Athenaeum club rooms last night, was won by Kendall by a score of 150, against C. Kendall, 110. Kelly 25 and Baldwin 22. Kendall challenges any man in the world to lift bells of any weight under fifty pounds for any part of \$5,000, and will place a forfeit at an hour's notice with the sporting editor of THE BEE.

Can Players Be Enjoyed?

NEW YORK, Nov. 2.—John H. Day, president of the New York club, has issued a card "to the press," in which he says:

Soon after the announcement in the public press that the brotherhood of ball players contemplated severing its connection with the national league, the New York club received a communication from the league, the counsel of the league, to the effect that the league clubs held an option on the services of such players as might be desired by the league next season. We instructed our counsel to lay the whole matter before the eminent law firm of Everts, Choate & Beaman, in their opinion say:

"The principle of law which, in our opinion, should govern courts in deciding the rights of parties under this contract are the same as that has been applied by the courts in determining the rights of parties under their contracts with managers of theaters. A base ball club stands in the same relation to the players as a theater stands to the actors employed by him, and there are many cases, as you may have seen in the New York press, where actors and actresses, while under contract with one manager, have been engaged by another. The same principle applies to the ball players reserved for the season of 1890 by the New York club, under its contracts with them, should organize themselves into a new club and play in it, but there is no violation of their contract with the New York club, just as much as if they contracted to play in the next season, and in either case we think the courts ought to enforce them from playing with any club except New York."

Jack is Hard to Convince.

ELMHURST, N. Y., Nov. 2.—Jack Kilrain to-night said "I am not yet satisfied that Sullivan is a better man than I am, and am anxious to try conclusions with him again." He thought the California Athletic club would put up a big purse for them.

THE SPEED RING.

An Excellent Programme Promised.

CHICAGO, Nov. 2.—It is announced that 612 entries have been made for seven races on the Washington Post-Jockey club programme for next summer. The official list just prepared by Secretary Brester shows that the American Derby, under the new conditions, is very popular with turfmen, no less than 139 nominations having been made to it. The Hyde Park stakes for two-year-olds comes next, with 135, and the Sheridan stakes for three-year-olds third, with 124. The Derby is the race in which the public is most interested, and it will increase that interest to know that not only are most of the horses named of a high class, but there are several new names among the owners. The conditions of the Derby of 1890 are as follows:—Stallions must be bred and owned by Americans, not declared out before April 1, 1890. To this the association adds \$10,000, the second horse to get \$2,000, and the third \$1,000 out of the stake. The race will be run on a mile, with the usual weight allowances. For the Hyde Park stakes there are 135 horses named. In this race the conditions of the horses entered for the Derby will meet again under slightly different conditions, the distance being but one and a quarter miles. The conditions of the race for two-year-olds fill, at five furlongs, and is always productive of road racing, as the fields are so large. The Hyde Park stakes, the next year, will be run at five furlongs. Next year some of the best two-year-olds in the country will see the starter in the Lakeland stakes. Other listed events are the Drexel, Englewood and Kenwood stakes. In the first will be found an extra line lot of horses. The Kenwood and Englewood stakes have also filled well, the former having eighty and the latter eighty-three entries.

After Her Husband's Pension.

NIRASKA, City, Neb., Nov. 2.—[Special Telegram to THE BEE.]—A woman filed in court in an interesting case growing out of a divorce. A few years ago W. W. Ashton, of this county, secured a divorce from his wife on the ground of desertion. About a year or so ago Mr. Ashton died and his divorced wife, Mrs. Ashton, applied to the court for a pension from the government, but in this she was unsuccessful, owing to the divorce. She now comes with an affidavit and will make application to have the decree set aside on the ground that it was procured by fraud.

Not the Man.

FROM THE OCCIDENT.

Matters of Interest Transpiring on the Pacific Slope.

SAN FRANCISCO, Cal., Nov. 2.—[Special Telegram to THE BEE.]—The effect of the recent rains upon the crops in the southern portion of the state is being felt in this city through a rise in the market. Reports from Santa Barbara and vicinity show that the bean crop is the heaviest ever experienced in the history of the state. When the storm commenced fifty per cent of the crop was still in the fields unharmed. The loss, as estimated, amounts to 30,000 tons.

The bullet which Morales, the bandit, fired into the head of Bunch, his partner, when they played a game of billiards in a saloon last summer, could not be found by the doctors. Morales was taken back to the Los Angeles county jail last Wednesday to testify against Bunch for horse stealing.

When Bunch saw Morales he was noticed to turn deadly pale and put his hand to his mouth, the bullet dropped into his mouth and the coincidence nearly frightened Bunch to death.

The grand jury at San Diego has made sensational reports. The sheriff is charged with having received \$100,000 for their summary removal are ordered. The coroner has been appropriating illegally certain fees, which he paid to the black and Chinese rammers, the mayor has been intoxicated for several weeks and neglectful of his work, the superintendent of the county has been indicted for receiving bribes, and the tax collector is behind \$5,000 in his settlement with the county.

It has been reported that the county, who married Mr. and Mrs. Charles Crocker over forty years ago, shall conduct the service of the Crocker funeral in the Congregational church at San Francisco after-noon. The casket is of red cedar, carved in broadcloth like that of the late Charles Crocker.

News from Guatemala via San Blas tends to quiet fears of a Central American war. The trouble seems to have been a very reactionary character, and Colonel Ruano, the leader, and several of the principal actors have been shot. A relative of President Barrios has been arrested and charged with arms and ammunition to better enable him to maintain the government.

Count DeBarry, who arrived here with his wife and suite yesterday from Honolulu, otherwise known as Prince Henri De Bourbon, direct descendant of the old French kings, the party of the French king, will remain in the world. They will remain at least a week in California.

ANOTHER BLOODY MEETING.

More Slaughter in the Hatfield-McCoy Vendetta.

MILTON, W. Va., Nov. 2.—Reports of another battle between the Hatfields and McCoy's have reached here. Friday night a party of about thirty McCoy's came across the Blumfield claim in the woods near Green Shoals. The McCoy's crawled through the underbrush and poured in a volley on their sleeping foe. In an instant the McCoy's were put to flight. The volley fired by the McCoy's wounded half a dozen and killed two. The Hatfield's were John Blumfield and Edwin Brown, son of the woman who was shot in her farm house at Pigeon Creek. After dawn the Hatfield's shot and killed two more, and one of the four died, and the three others were badly wounded. The Hatfield's were a sort of court martial which was held, the result resulting unanimously that they should die.

ANARCHISTS' ANNIVERSARY.

His Observance in Chicago Promised to Be Sensational.

CHICAGO, Nov. 2.—The Times to-morrow will say that it is understood that the observance of the anniversary of the anarchists' execution here will be very sensational; that John Most is to read a paper and that an incendiary screed and that fifty thousand copies of it will be distributed on the streets of the city.

Ex-Pope Captain Schaeck estimates the total membership of the city groups at over two thousand. It is claimed the anarchists are being armed for a revolution and that in place of dynamite they will use the "fire iron" and attack property instead of life.

Guatemala is a Ferment.

CITY OF MEXICO, Nov. 2.—General M. Barundel, of Guatemala, left to-day ostensibly for Oaxaca. Many claim he has gone to Oaxaca to arrange the peaceful solution. Telegrams received here state the entire northern and eastern sections of Guatemala are both ready and anxious to engage in rebellion against the government of President Barrios.
